

YXT.com Regains Compliance with Nasdaq Minimum Bid Price Requirement

July 31st, 2026

SUZHOU, China, July 31, 2026 (GLOBE NEWSWIRE) -- YXT.com Group Holding Limited (the "Company" or "YXT.com") (NASDAQ: YXT), a provider of AI-enabled enterprise productivity solutions, today announced that it had received a notification letter (the "Compliance Notification") from the Listing Qualifications Department of the Nasdaq Stock Market LLC ("Nasdaq"), dated July 30, 2026, notifying the Company that it has regained compliance with the minimum bid price of US\$1.00 per share requirement set forth under Nasdaq Listing Rule 5450(a)(1) (the "Minimum Bid Price Requirement").

As announced on January 28, 2026, YXT.com was notified by Nasdaq that the Company was not in compliance with the Minimum Bid Price Requirement, as the closing bid price of the Company's American depositary shares ("ADSs") was below US\$1.00 per share for 30 consecutive business days. To regain compliance with the Minimum Bid Price Requirement, the closing bid price of the Company's ADSs needs to be at least \$1.00 for a minimum of 10 consecutive business days.

As part of its efforts to regain compliance with the Minimum Bid Price Requirement, the Company changed the ratio of its ADSs representing Class A ordinary shares from one (1) ADS representing three (3) ordinary shares to one (1) ADS representing thirty (30) ordinary shares. The change became effective on July 14, 2026.

On July 30, 2026, Nasdaq confirmed in the Compliance Notification that the closing bid price of the Company's ADSs has been at \$1.00 per share or greater for the ten consecutive business days from July 16, 2026 through July 29, 2026. Accordingly, the Company has regained compliance with the Minimum Bid Price Requirement, and the matter is now closed.
